Technical Writer with 4+ years of experience developing structured, user-focused documentation across medical devices, enterprise risk management, and compliance domains.

Experienced in DITA/XML authoring, Oxygen XML Editor, Adobe FrameMaker, Archer, SharePoint, and content management systems. Proven track record of creating 600+ technical documents, policies, procedures, installation guides, and medical IFUs while collaborating with SMEs and ensuring compliance with industry standards.

Passionate about transforming complex information into clear, accurate, and impactful documentation.

Experience

Rocket Mortgage (NSM Services Private Limited)

April 2025 - Present

Technical Writer

- Authored, updated, and upheld **500+** enterprise standards, policies, and procedures using **Archer**, ensuring documentation accuracy, consistency, regulatory compliance, and adherence to organizational style guides.
- Partnered with **Subject Matter Experts** (SMEs), risk teams, and stakeholders to gather requirements, validate technical information, and transform complex content into clear, user-friendly documentation.
- Generated monthly documentation metrics and status reports, providing visibility into content updates, project progress, review cycles, and governance compliance.
- Managed and executed SharePoint change requests submitted by SMEs, ensuring timely updates and proper version control.
- Experienced in **cross-functional collaboration** to deliver user-friendly technical materials, with responsibility as peer and final reviewer.

HCL Technologies

Aug 2022 - March 2025

Technical Writer

- Developed, updated, and maintained **100+** Medical Instructions for Use (IFUs) and **CLSI** documents supporting global medical device products and regulatory requirements.
- Authored installation guides, user documentation, and procedural content using **XML**-based authoring tools and structured documentation methodologies.
- Designed and preserved structured content using **Oxygen XML Editor**, **DITA XML** standards, and content reuse methodologies to improve documentation efficiency.
- Collaborated with **regulatory**, engineering, **quality assurance**, and documentation teams to deliver accurate, compliant, and customer-focused technical content.
- Proficient in using **Adobe Acrobat Professional** for reviewing, annotating, comparing, and editing complex documents.

Education

Bachelor of Printing & Packaging Technology

2018-2022 | CGPA - 8.57

College of Engineering Guindy - Anna University, Chennai

HSC

2018 | Percentage - 93.5

Maharishi Vidya Mandir, Higher Secondary School

SSC

2016 | CGPA - 10

Maharishi Vidya Mandir, Higher Secondary School

Tools/Software

- Oxygen XML editor
- SharePoint
